Behaviour Tracking System Guidelines

Rules

Children's behaviour will be recorded in this book, there is one for each class. This system is to be used by **ALL** staff throughout the school and throughout the day.

The tracking system will use a tick system and will work as follows.

1. A verbal reminder about appropriate behaviour is given
2. A warning that if the behaviour continues, the child will receive a tick in the book
3. If the child continues to misbehave a tick is put next to their name in the book. On the following page you need to record the date, child's name and the reason the tick was given. This is to be signed by the child and the member of staff who recorded the behaviour.

When recording a child's behaviour in this book, the child MUST BE PRESENT and reason the behaviour is unacceptable must be explained and clearly understood by the child.

Depending on the severity of the behaviour e.g. physically hurting a child or damaging property - a child may be given a tick without warnings.

Behaviour management is age appropriate and also takes into account the child's personal circumstances. If any doubts arise about how severe a behaviour is, this should be discussed within classes.

Consequences

When a child receives 3 ticks, they must miss the following lunchtime.

When a child receives 6 ticks, they must miss the following lunchtime.

When a child receives 9 ticks, they must miss a full week of lunchtimes, starting from the next lunchtime.

Children must go to the library where they will be supervised by Mrs Sturt but class teachers must inform Mrs Sturt if she is to expect anyone.
